

# CERTIFICATE

## The company

**GUNOLD GmbH**  
Obenburgerstrasse 125  
Postfach 20  
63811 Stockstadt / Main  
Germany

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **ZH001 135869.1**

## for the following articles:

**STIFFY embroidery non-woven made of cellulose/polyester/polyamide with or without PE coating, white and black as well as interlining made of 100% viscose in white (chemically bonded)**  
**STICK-PROTECT fusible protective gauze made of 100% polyester in white**  
**FILMOPLAST® self-adhesive embroidery stabilizer made of cellulose/polyester in white and black**  
**FELTY felts made of 100% polyester in white and dyed**  
**(based on material partly pre-certified according to STANDARD 100 by OEKO-TEX®)**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate EAA 14318 is valid until 31.01.2019**
